NATIVE SONS AND DAUGHTERS DANCE

Native Sons and Daughters met in the U. F. A. hall on Friday night for their annual Round-Up dance which was a decided success, the executive being well pleased with the net proceeds of around \$16. Renewed interest is being taken in the association and members are looking forward to greater activity in the coming year. During the evening a recitation was given by Keith Bannister.

Appointed to Executive

At the Anglican Synod last week, the Bishop appointed Rev. A. D. Currie on the executive committee to represent the Rural Deany of Red Deer. The Deaneery extends from Lacombe to the city limits of Calgary and from the foothills on the west to as far east as the Rural Deaneary of Drumheller. Mr. T. Tredaway was elected lay representative on the executive committee for the Rural Deaneary of Red Deer.

BIRTHS

BORN—To Mr. and Mrs. Douglas Brandon, on January 4th, at Mrs. Johnson's nursing home, a son.

C. C. F. Supporting Laut, Independent

In tribute to the "sterling qualities" of the Independent candidate, the C.C.F. will not contest Banff-Cochrane constituency in the next provincial election.

This announcement followed a meeting of C.C.F. directors for the riding, held here last evening when members from several points attended.

N. Clegg Airdrie secretary of the constituency organization stated that the main reason for the C.C.F. decision was the feeling that Frank Laut, the Independent aspirant, could be relied on to maintain his stand "despite pressure and wire pulling of both old political parties."

Members in attendance expressed the view the C.C.F. had a chance to win the seat but decided to cooperate with Mr. Laut, fearing he is not antagonistic to their principles.

The council decided to lend every assistance to C.C.F. candidates contesting Bow River, Calgary East and Calgary West federal ridings — Calgary Herald

Flyers Hockey Club Hold Meeting

The annual meeting of the Crossfield Flyers Hockey Club was held on February 1st with a full attendance.

The boys elected Donnie Stevens as their Captain and Ernie Butler was appointed to act as secretary-treasurer for the club.

While the Flyers may be the youngest players, they are the oldest hockey club in town, having been fully organized for two years. First organized as a 12-year and under team entirely by the boys themselves, the age limit has advanced but the membership is practically the same and while they have not been given a great amount of support and encouragement, the fact that they are still going strong shows that they have the persistence and determination that go to make hockey players.

This hockey club deserves your support. Watch for the date of their next home game and show that they get their sporting spirit from their parents by being at the game.

The Crossfield Branch of the Canadian Legion of the British Empire Service League is anxious to keep a record of all men from the Crossfield district who enlist in the Canadian Active Service Force. It would be appreciated if relatives or friends of those who have already left, would leave particulars with the Secretary, Comrade F. Mossop, at the Post-office.

Miss Margaret McCaskill was hostess at a preserve shower held at the home of Mrs. W. Hurt, when on the afternoon of February 2nd, some thirty guests gathered to honor Miss Lillian Landymore, whose marriage takes place this month. After a dainty lunch, two little girls, Miss Beth and Miss Irene Landymore, presented the guest of honor with a bountifully filled wagon. When the last gift was unwrapped, Miss Landymore, in a few well chosen words, thanked her friends for their kindness and good wishes and expressed her pleasure at having this opportunity of renewing acquaintance with old friends.

Canadian Legion War Services

\$500,000 Needed To "Carry On" The Legion's War Services.

The Canadian Legion has undertaken and carried to a successful conclusion, many important national enterprises in the course of its career. All of them have been prompted by a desire to serve the interests of Canada and the Empire. Notable as these have been, none approach in magnitude of effort, in breadth of scope and ability of purpose, the self imposed task the Legion has now assumed—that of serving the war-time and post-war needs of the Canadian Active Service Force.

One day the boys will be coming back. The Canadian Legion is already preparing for "Cease Fire". We want to make our soldiers into citizens as quickly and as smoothly as we made citizens into soldiers. They must be prepared to resume their places as useful citizens of our great Dominion. The Canadian Legion have therefore undertaken, with the approval of the Canadian Government, the task of fitting our troops for the return to Civil Life.

The programme of service to the Fighting Forces includes: Education (in collaboration with the Canadian Association for Adult Education). Entertainment (including development of a soldier concert parties and moving picture programmes), Recreation Huts (with games, reading and writing facilities), publication of Unit Papers, Leave Centres, Travel Information and Sports. This programme will cost at least \$500,000. They propose to ask the people of Canada to contribute to this fund. The objects are so worthy and the need so obvious that once they are explained we haven't a doubt that the country is a whole will give a good and give wholeheartedly.

Do your part to help the Legion go over the top. A chance to do your bit—for the boys who are now doing theirs.

The Crossfield Branch is expected to do its bit towards raising the above mentioned sum and any contribution, however small, will be gratefully received by the Secretary Comrade F. Mossop, at the Post-office.

**FISH DISHES FOR
THE LENTEN SEASON**

A dish which is particularly recommended to chase the blues on cold winter mornings and supply heat and nourishment for the day's work is Codfish Balls. Don't try to prepare this dish entirely in the morning—everything but the actual cooking can be done the night before and the breakfast is practically ready when the time comes to eat.

CODFISH BALLS.

1 cup fish, freshened & stripped
2 cups diced potatoes
1 tsp butter, Pepper,
1 egg, well beaten
Cooking fat

Simmer the fish, boil potatoes until done. Drain off water and mash fish and potatoes until perfectly blended. Add butter and pepper and beat with fork till light. Cool a little and add egg. Shape in balls the size of a walnut, drop in frying basket, fry one minute in deep smoking hot fat and drain on paper. Serve hot with tomato sauce made by heating condensed Tomato soup just as it comes from the can.

SCRAMBLED CODFISH

Place 1 cup of shredded, freshened Canadian codfish with 2 table spoons of butter. When it begins to brown, add 1 cup milk. Cook a few minutes. Then add 3 well beaten eggs. Season. Stir until done like scrambled eggs. Serves 4 or 5.

NOTE: To free from salt cod, shred

the fish, wash several times to take off salt left on the surface, then put it into cold water and heat to the boiling point. Pour off the water and repeat the operation a second and even a third time, if necessary. Do not cut dried salt fish with a steel knife or the fish will take on a "steely" taste.

SALAD COMBINATIONS

1. Diced pineapple, apples, celery, flaked lobster, mayonnaise and lettuce.
2. Flaked fish, sliced or chopped egg, diced celery, dressing and lettuce.
3. Flaked fish, peas, cucumber and tomato sliced, dressing, lettuce.
4. Flaked fish, stuffed chopped olives, dressing and lettuce.
5. Sardines, diced beets and potatoes, sliced eggs, dressing and lettuce.

"What is more beautiful than a pretty girl to behold?"
"Such grammar! You mean to be held."

The Play, Aunt Tillie Goes to Town, to be presented by the C.D.S. is all the rip-roaring comedy the title suggests. In Aunt Tillie's estimation, men are as desirable as smallpox, and unreliable, but times change, she may not have been born twenty years too soon at that. So watch for the date.
